

Bald Mountain Campground

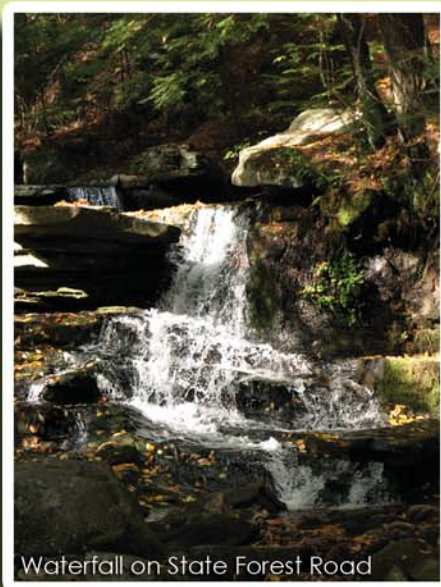

Situated on 160 acres in a peaceful, secluded river valley surrounded by the peaked hills of Southern Vermont, Bald Mountain's setting in any season is unmatched. We offer 190 open and wooded sites, with many located on the beaver pond or the West River. We have a separate tenting area as well as pull-through and seasonal sites and can accommodate group camping with a rates-kitchen and pavilion.

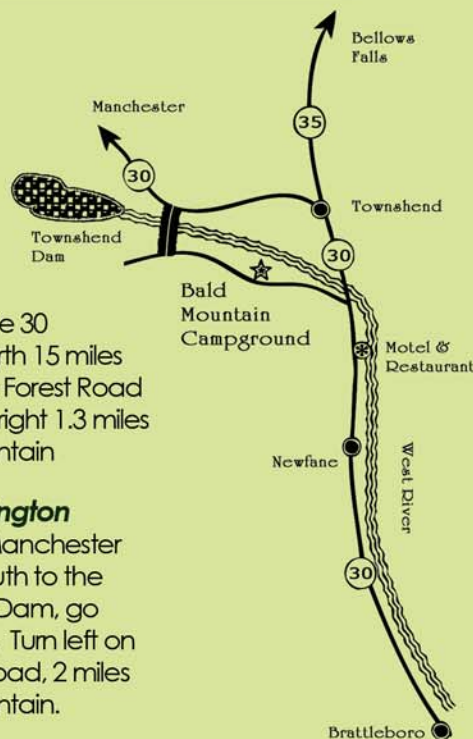

Bald Mountain has been family-owned and operated for over 40 years, and we take pride in operating a clean, quiet, and friendly campground. Our amenities include restrooms, showers, dump station, laundromat, playground, volleyball, basketball, ping pong, horseshoes, picnic tables, and fireplaces.
